# Welcome

The 26th Annual show finds us thankful and proud. We have weathered the storms of the pandemic, personal losses, and literally epic Hurricane IAN. We have witnessed kindnesses in our community as folks reached out to help their neighbors. We are blessed to be here and happy to share this time with our talented and awesome artists and our friendly and interested visitors to the show. Thank you to our committee for making it possible. Thank you all for your support of St. Vincent de Paul's Meals on Wheels program which is so important to our community. Wish you all good health and continued blessings. ~Taire Malloy, Director

# Meals on Wheels

The St. Vincent de Paul Meals on Wheels program provides almost 50,000 meals each year to homebound, disabled or low-income seniors in the greater Naples area.

Many of our seniors suffer from feelings of isolation and go without weekly visitors except for our many dedicated drivers who provide conversation and a friendly face. As we get older, even the most independent among us may experience physical declines or financial hardship that strips away our independence. Add to that an increase in geographic mobility of our families and the result is many seniors left behind, hungry and alone. This is where Meals on Wheels comes in.

**Our way of honoring seniors daily is by providing meals for those in need.**

## OUR GOAL IS TO:

- **Reduce hunger, food insecurity and malnutrition**
- **Promote socialization**
- **Improve the health and well-being of older, needy adults**

The SVDP Family Assistance Center, conference members and our two thrift stores work together to assess the needs of families and also provide assistance with rent, utilities, clothing and household necessities. Our Choice Food Pantry provides a variety of non-perishable food and hygiene items. Through these programs the Society of St. Vincent de Paul provides those in need with the resources that empower them to achieve a life that is self-sufficient. Through the donations to our thrift stores and SVDP programs such as Meals on Wheels, families are helped through hardships such as illness, loss of work, isolation and low fixed incomes.

We are grateful to all those individuals who give of their time volunteering for the Meals on Wheels program, thrift stores and financial assistance programs. We are also grateful to those who give generously from their heart in order to help those in the Naples community through the Society of St Vincent de Paul.
