Meals on Wheels

The St. Vincent de Paul Meals on Wheels program provides almost 50,000 meals each year to homebound, disabled, or low income seniors in the greater Naples area.

Many seniors suffer from feelings of isolation and are without weekly visitors except for our dedicated drivers who provide conversation and a friendly face. As we get older, even the most independent among us may experience physical declines or financial hardship that strips away our independence. Add to that an increase in geographic mobility of families and the result is that many seniors are left behind and alone. This is where Meals on Wheels comes in.

MEALS ON WHEELS GOALS:

- To promote socialization
- To improve the well-being of seniors in need
- To reduce hunger, food insecurity & malnutrition

We are grateful to all of those who give generously to St. Vincent de Paul and to those who donate their time volunteering for the Meals on Wheels program as well as SVdP's other programs: the Thrift stores, Choice Food Pantry, and the Family Assistance Center.
