FOUNDATION FOR THE
DEVELOPMENTALLY DISABLED

The mission of the Foundation for the Developmentally Disabled is to enhance the quality of life for individuals with developmental disabilities and their families through educational, social and recreational activities, advocating for housing, employment options and building community awareness.

For over 30 years, the Foundation for the Developmentally Disabled (FDD) has been providing outstanding programs for our members that help build confidence, support, and active participation in the community. Our programs include social events, Trailblazer Academy vocational training, recreational bowling, baseball and basketball leagues, experiences in the arts, resource and referral services, and more.

Currently serving over 250

individuals, FDD also offers a community of support and connection for families and caregivers.

In Grateful Remembrance of
ANTHONY DUNFORD

February 4, 1973 ~ September 24, 2017

Anthony gave so much of his heart and soul to our kids with additional needs. Anthony, you touched so many lives. We thank you for your caring, for your devotion and for seeing our children for who they are and not their diagnoses. Your positive impact on the additional needs community will live on in all of us!

Art Fest Naples continues a tradition of offering support to a local non-profit. This year it is Additional Needs, Inc. A big thank you to the Title Sponsor, The Neurology Office of Joseph Kandel, M.D. & Associates in honor of the Foundation for the Developmentally Disabled. The adult participants of FDD will be exhibiting their photography at the show - please visit them in Booth #57!

A warm appreciation to all of our community sponsors, volunteers, judges, speakers, visiting therapists and visitors!

The Art Fest committee, as always, is grateful to present the most talented artists who make this a wonderful show!

Together we make a great festival!
